NOVEMBER

Blytheswood combines the Christian message with practical help for those in need.

We are collecting for the shoe box appeal, sending gifts to those who would not otherwise receive much at Christmas, in Eastern Europe and Pakistan.

DECEMBER

OMF serves the church and seeks to bring the gospel to East Asia.

Pray for the work of OMF in this diverse part of the world – diverse cultures, religions and economics but a common need for the gospel.

JANUARY

Open Door is a fortnightly meeting run by David and Jessie Burgess for the older folk in our area.

They have three main prayer points at the moment:

- 1) pray for more response by those contacted and that they would have a desire to join the group.*
- 2) Pray that those who come would respond to the good gospel messages that they hear.*
- 3) Pray that David and Jessie would be blessed with good health etc that we would be able to carry on for a wee while yet*

REGULARS...

Thank God for the great holiday club in October and the many children who came along and heard more about their heavenly father's love.

Pray for Helen as she takes over the running of the Seaton club now that Beccy is on maternity leave and also for Ian and Sarah and the others who run the Cornhill club.

SAMS KIDS' CLUB

INTERNATIONAL BIBLE STUDY

Enabling international students to learn about Jesus through short talks, worship and discussion groups.

Pray for the team who run the bible study and for God to continue to provide volunteers with a heart for international students.

Reaching Tillydrone through drop-in centres, courses, and the monthly 'TNT' service.

Pray for the Christmas meal – a highlight of the Lighthouse year as the kids all get presents and everyone enjoys a slap-up meal at Credo and hears something more about the real message of Christmas.

LIGHTHOUSE

OPEN DOOR

As well as the above prayer points please pray for the older folk over winter when there is a break from the Open Door meetings during the cold weather. Pray for God's presence with them at a time which can be quite isolating.
